Please note that the licensee or permittee listed below is required to have in their possession a printed paper copy or electronic copy of their license or permit while engaged in fishing, hunting, or operating an off-road vehicle. The copy must be produced when requested by law enforcement personnel. The license or permit itself does not allow the licensee or permittee to hunt, fish or operate their off-road vehicle on private property and, if they do so without the permission of the owner, they may be subject to criminal or civil penalty. By submitting the information below, you affirm under penalty of perjury that you have provided correct representation of your personal information.
